Kids Like Me is proud to collaborate with The Miracle Project, a fully inclusive theatre, film, and expressive arts program focused on building communication, self-esteem, job and social skills for individuals with autism and all abilities—speaking and non-speaking. Using groundbreaking and evidence-based methods developed by our founder, Elaine Hall, The Miracle Project focuses on the strengths and abilities inherent in each participant while developing a unique neurodiverse community.

Through shared experiences with peers and volunteers, individuals with autism and other disabilities:

- Find their voice
- Develop their talents
- Rehearse for life
